Description

Experience unparalleled performance and reliability with the Mercedes-Benz Arocs 5 3240 K 8x4/4. This robust truck, finished in arctic white, is engineered to conquer the most demanding tasks, making it the ideal choice for heavy-duty operations.

Now equipped with a Hyva hookloader body and an integrated sheeting system, this Arocs offers exceptional versatility and efficiency for waste management, construction, and material handling. Quickly and securely load and unload skips and containers, while the sheeting system ensures safe and compliant transport of various materials.

Key Features include:

Optimal Visibility and Safety: Equipped with a light sensor and reversing buzzer to enhance operational safety.

Driver Comfort: The M-cab Classic Space offers a spacious and comfortable environment. For ultimate luxury, the driver's seat features a leather cover, complemented by durable rubber mats on both the driver's and co-driver's sides.

Advanced Connectivity: Features an interface for fleet management systems (FMS) and a radio with USB connection and Bluetooth, ensuring seamless communication and entertainment.

Durable and Protected Design: Built with construction tail lights in a metal holder with a grille, and a protective metal grille for headlamps, ensuring resilience in challenging environments.

Integrated Service Package: This vehicle includes an Integrated Service Package, offering 2 years of Repair & Maintenance (R&M) included, providing peace of mind and comprehensive support.
