Description

Volkswagen Up 1.0 Up Beats 5dr Discover this exceptional 2018 Volkswagen up! beats, boasting an incredibly low mileage of just 20,826 miles, making it a truly stand out example for its age. This Volkswagen is a testament to quality, being manufacturer approved and featuring a responsive 1.0 litre petrol engine that meets Euro 6 emissions standards. As a 'beats' trim model, it offers a refined driving experience and is presented in excellent condition, reflecting its careful ownership and low usage.

This Volkswagen up! beats is a smart choice for many reasons, offering a low insurance group which can help keep your running costs down. Furthermore, its low CO2 emissions indicate a more environmentally friendly and potentially more economical drive compared to many other vehicles in its class. These factors combined make this particular up! beats a compelling option for those seeking a well maintained,

efficient, and affordable city car.
