Description

With only 5470 miles on the clock, this 2024 Volkswagen Tiguan is practically brand new. As a Volkswagen manufacturer-approved vehicle, this Tiguan R-Line combines sporty styling with the efficiency of a 1.5L Petrol Plug-in Hybrid engine and Euro 6 emission class. The R-Line trim adds a touch of sophistication, while features like the Head Up Display, 20in Alloy Wheels, Inductive Smartphone Charging, and Rear View Camera System enhance your driving experience. Stay connected on the go with the integrated Bluetooth Mobile Phone Interface.

The Tiguan's spacious boot ensures you'll have no problem accommodating luggage, shopping, or sports equipment. The low mileage for its age means that you can enjoy many years of motoring. The advanced features included with this vehicle,

such as the Head Up Display, make it a cut above other similar vehicles.

Purchasing a new vehicle can sometimes be a very stressful process, not with Marshall Volkswagen!

Enquire on one of our vehicles and one of our professional members of the sales team will pick up your enquiry. You will then receive a personalised video of the vehicle showing you all of the features and benefits of that particular vehicle which are important to you. Nothing is ever too much for us, we will always go over and above for our customers.

You also want that peace of mind that the vehicle of interest is a quality, safe and reliable vehicle? All vehicles undergo a comprehensive series of stringent tests and inspections, HPI checks, bodywork checks along with a comprehensive warranty provided.

30-day / 1, 000 mile satisfaction guarantee

12-month unlimited mileage warranty

12-month Volkswagen Assistance

Carefully selected and verified with over 150 checks

Latest software upgrades

Volkswagen Genuine parts
