Description

With only 20761 miles on the clock, this 2021 Volkswagen Golf is practically brand new. As a Volkswagen manufacturer-approved vehicle, this Golf 1.5L Petrol TSI Life trim offers complete peace of mind. Stay connected on the move with the premium USB C cable, offering compatibility with both Apple and Android smartphones, including Android Auto and Apple CarPlay. The Discover Navigation infotainment system, complete with Bluetooth, ensures you're always on the right track, while the wireless smartphone charger keeps your devices powered up without the clutter of cables.

The adaptive cruise control makes long journeys a breeze, and parking sensors at the front and rear take the stress out of tight spots. The Golf boasts a large boot, making it ideal for shopping trips, holidays, or family life. Furthermore, acceleration from 0-62mph in just 8.5 seconds means that this vehicle is faster than other similar vehicles.

Purchasing a new vehicle can sometimes be a very stressful process, not with Marshall Volkswagen!

Enquire on one of our vehicles and one of our professional members of the sales team will pick up your enquiry. You will then receive a personalised video of the vehicle showing you all of the features and benefits of that particular vehicle which are important to you. Nothing is ever too much for us, we will always go over and above for our customers.

You also want that peace of mind that the vehicle of interest is a quality, safe and reliable vehicle? All vehicles undergo a comprehensive series of stringent tests and inspections, HPI checks, bodywork checks along with a comprehensive warranty provided.
