#### Description

With only one previous owner, this 2022 Volkswagen Polo 1.0L TSI Life is a smart choice. As a Volkswagen manufacturer-approved vehicle, this Polo Life comes with the reassurance of quality and reliability. The Euro 6 compliant petrol engine ensures lower emissions, while inside, the Digital Cockpit Pro with its 10.25in display offers a modern and user-friendly driving experience.

This Polo stands out with its impressive fuel economy of 55 mpg, meaning fewer trips to the petrol station and more money in your pocket. It also falls into a low insurance group, making it an affordable option for new and experienced drivers alike. The spacious boot provides ample room for shopping, luggage, or anything else you need to carry. Furthermore, with CO2 emissions kept to a minimum, you can drive with a clear conscience, knowing you're doing your bit for the environment. The car can accelerate from 0-62mph in 10.8 seconds.

Purchasing a new vehicle can sometimes be a very stressful process, not with Marshall Volkswagen!

Enquire on one of our vehicles and one of our professional members of the sales team will pick up your enquiry. You will then receive a personalised video of the vehicle showing you all of the features and benefits of that particular vehicle which are important to you. Nothing is ever too much for us, we will always go over and above for our customers.

You also want that peace of mind that the vehicle of interest is a quality, safe and reliable vehicle? All vehicles undergo a comprehensive series of stringent tests and inspections, HPI checks, bodywork checks along with a comprehensive warranty provided.

30-day / 1, 000 mile satisfaction guarantee

12-month unlimited mileage warranty

12-month Volkswagen Assistance

Carefully selected and verified with over 150 checks

Latest software upgrades

Volkswagen Genuine parts
