Description

This Volkswagen Polo, registered in 2022, comes manufacturer approved, giving you extra peace of mind. As a Polo EVO Life with a Life trim, it features a 1.0L petrol engine and meets Euro 6 emission standards. The car is equipped with Automatic Headlight Control, including LED separate daytime running lights and a Coming Home-Leaving Home feature. The Bluetooth mobile phone interface keeps you connected, and the Light and Sight Pack adds convenience with automatic headlights. Comfort is ensured with a manually controlled air conditioning system, and entertainment is provided by the Ready 2 Discover infotainment system, which also includes Bluetooth connectivity.

This Polo stands out with its low insurance group, potentially saving you money on premiums. It also boasts impressive fuel economy, achieving up to 54 mpg, meaning fewer trips to the petrol station. The large boot space offers practicality for shopping, luggage, or anything else you need to transport, making this Polo a smart choice for both everyday use and

longer journeys. The low CO2 emissions mean you'll be contributing to a cleaner environment.
