Description

With only one previous owner and very low mileage for its age at just 10445 miles, this 2023 Peugeot 308 Active Premium is a great example of a modern hatchback. The car is powered by an economical 1.2L petrol engine which also meets the Euro 6 emission standards. As a Peugeot manufacturer-approved vehicle, you can be sure that this 308 Active Premium meets the high standards set by Peugeot. The Active Premium trim includes a Bluetooth telephone facility, so you can stay connected on the move, and automatic air conditioning, which will keep you comfortable whatever the weather.
