Description

With only one previous owner, this 2024 Volkswagen Polo EVO Life is a smart choice. As a Volkswagen manufacturer-approved vehicle, this Polo Life is equipped with a 1.0L petrol engine and adheres to Euro 6 emission standards. The vehicle includes rear parking sensors with parking assistance, automatic headlight control with LED daytime running lights, and LED headlights, ensuring enhanced visibility and convenience. Stay connected on the move with the Bluetooth mobile phone interface and the Ready 2 Discover infotainment system.

This Polo stands out with its low insurance group, offering potential savings. Experience fewer trips to the petrol station thanks to the impressive fuel economy of around 54 mpg. The spacious boot provides ample room for luggage, shopping, or anything else you need to transport.

Purchasing a new vehicle can sometimes be a very stressful process, not with Marshall Volkswagen!

Enquire on one of our vehicles and one of professional members of the sales team will pick up your enquiry. You will then receive a personalised video of the vehicle showing you all of the features and benefits of that particular vehicle which are important to you. Nothing is ever too much for us, we will always go over and above for our customers.

You also want that peace of mind that the vehicle of interest is a quality, safe and reliable vehicle? All vehicles undergo a comprehensive series of stringent tests and inspections, HPI checks, bodywork checks along with a comprehensive warranty provided.
