Description

With only 9782 miles on the clock, this 2022 Volkswagen Polo is practically brand new. As a TSI Life variant in Life trim, this Volkswagen Polo is equipped with a 1.0L petrol engine and conforms to the Euro 6 emission class. For added peace of mind, this vehicle has Volkswagen manufacturer approval. Manoeuvring is made easier with front and rear parking sensors, including parking assistance.

This Polo stands out with its impressive fuel economy of 55 mpg, meaning fewer trips to the petrol station. It also boasts a low insurance group, potentially saving you money on your premiums. The surprisingly large boot space makes it more practical than you might expect, and its low CO2 emissions mean it's kinder to the environment. Acceleration from 0 to 62mph takes just 10.8 seconds.

Purchasing a new vehicle can sometimes be a very stressful process, not with Marshall Volkswagen!

Enquire on one of our vehicles and one of our professional members of the sales team will pick up your enquiry. You will then receive a personalised video of the vehicle showing you all of the features and benefits of that particular vehicle which are important to you. Nothing is ever too much for us, we will always go over and above for our customers.

You also want that peace of mind that the vehicle of interest is a quality, safe and reliable vehicle? All vehicles undergo a comprehensive series of stringent tests and inspections, HPI checks, bodywork checks along with a comprehensive warranty provided.

30-day / 1, 000 mile satisfaction guarantee

12-month unlimited mileage warranty

12-month Volkswagen Assistance

Carefully selected and verified with over 150 checks

Latest software upgrades
