Description

This Volkswagen Golf, a 2022 model, comes manufacturer-approved, offering you extra peace of mind. As a TSI Active variant with the Active trim, this Golf is equipped with a 1.5L petrol engine and adheres to Euro 6 emission standards. Manoeuvring is made easier with the inclusion of a rear-view camera, complete with parking assistance.

The Golf stands out with its impressive fuel economy, achieving up to 52 mpg, meaning fewer trips to the petrol station and more money in your pocket. In addition, it boasts low CO2 emissions, making it a more environmentally conscious choice compared to similar vehicles. Acceleration is also noteworthy, reaching 0-62mph in just 9.2 seconds, demonstrating a good balance of efficiency and performance.

Purchasing a new vehicle can sometimes be a very stressful process, not with Marshall Volkswagen!
