Description

Volkswagen Id.3 150kW Family Pro Performance 58kWh 5dr Auto This Volkswagen ID.3, registered in 2020, comes manufacturer approved, offering you extra peace of mind. As an all-electric ID.3 Pro Performance Family in the Family trim, it combines practicality with modern technology. The car is equipped with the Comfort Package Plus, which includes climate control, heated seats, and a heated steering wheel, ensuring a comfortable drive in any weather. The Design Package Plus enhances its appearance with LED headlights and a panoramic sunroof. Manoeuvring is made easy with front and rear parking sensors, complemented by parking assistance features. Adaptive Cruise Control, including Front Assist, helps maintain a safe distance on the road, while the Assistance Pack adds keyless entry and a rear camera for added convenience.

The ID.3 boasts a large boot space, making it more practical than similar vehicles for all your storage needs. The battery has a total capacity of 62 kWh, providing a maximum range of 260 miles when new, so you can enjoy longer journeys with fewer stops. Charging at home using a 7kW charger takes approximately 9 hours 30 minutes, while rapid public charging can boost the battery from empty to 80% in just 37 minutes. Acceleration from 0-62mph takes only 7.3 seconds, making it quicker off the mark than other comparable cars.
