Description

With only one previous owner, this 2022 Volkswagen ID.3 Pro Performance Life is a superb electric hatchback. As a Volkswagen manufacturer-approved vehicle, this ID.3 boasts a 62 kWh battery, offering a blend of efficiency and practicality. The Life trim includes a range of features designed to enhance your driving experience, such as 1-Zone Climatronic for climate control, and the Comfort Package, which includes heated seats and a heated steering wheel. The Assistance Pack adds keyless entry and a rear camera to the parking assistance system, while the all-LED headlights with reflector technology provide excellent visibility. Front and rear parking sensors further simplify maneuvering in tight spaces.

The ID.3 stands out with its rapid acceleration, reaching 0-62mph in just 7.3 seconds, making it quicker off the mark than many comparable vehicles. The impressive 265-mile maximum range when new ensures fewer stops on longer

journeys, offering more convenience than other electric vehicles in its class. Charging is convenient, with a full charge at home taking approximately 9 hours 30 minutes using a 7kW charger. For those needing a quicker top-up, public charging can take the battery from empty to 80% in as little as 37 minutes. Plus, the large boot space offers practicality that is better than similar vehicles.

Purchasing a new vehicle can sometimes be a very stressful process, not with Marshall Volkswagen!

Enquire on one of our vehicles and one of professional members of the sales team will pick up your enquiry. You will then receive a personalised video of the vehicle showing you all of the features and benefits of that particular vehicle which are important to you. Nothing is ever too much for us, we will always go over and above for our customers.

You also want that peace of mind that the vehicle of interest is a quality, safe and reliable vehicle? All vehicles undergo a comprehensive series of stringent tests and inspections, HPI checks, bodywork checks along with a comprehensive warranty provided.

30-day / 1, 000 mile satisfaction guarantee
