Description

Volkswagen Polo 1.0 Life 5dr With only one previous owner and very low mileage at just 1762 miles, this 2025 Volkswagen Polo EVO Life is practically brand new. This Polo, with its efficient 1.0L petrol engine, combines practicality with modern features. The Life trim includes a manually controlled air conditioning system, ensuring a comfortable environment, and a mobile phone preparation system with inductive charging, offering seamless connectivity. Automatic headlight control, complete with LED daytime running lights and a coming home-leaving home feature, enhances visibility and convenience. The inclusion of a Bluetooth mobile phone interface and the Light and Sight Pack further adds to the appeal of this Volkswagen-approved vehicle.

This Polo stands out with its impressive fuel economy of 54 mpg, meaning lower running costs compared to similar cars. Its low CO2 emissions also make it a more environmentally friendly choice. Furthermore, it falls into a low insurance group, offering potential savings on your premiums. This

Volkswagen Polo EVO Life represents a smart choice for those seeking an economical and well-equipped vehicle.
