### Description

Mercedes-Benz of Southampton are delighted to offer this exceptional Nissan Juke N-Connecta Hybrid Hatchback. Finished in Magnetic Blue and contrasting Cloth with Syntech Leather Inserts - Black with Metallic Grey interior. This particular example benefits from the N-Connecta package which consists of 8-inch touchscreen, in car WiFi, & 17-inch alloy wheels. Additional features include Cruise Control, Parking Sensors, Sat Nav, Apple Car Play / Android Auto, Full main dealer service history including a fresh service as part of our prep process, MOT'd until August 2026 and 2 keys. Tyres all have more than 3MM of depth and the bodywork is fantastic which needs to be seen to be appreciated. If you have any questions, please do call us on 02380 619044 or email us over and one of our fantastic team will be on hand to assist.

At Marshall Mercedes-Benz we have a superb selection of new and Approved Used cars, servicing, parts and accessories. With over 75 Quality Approved vehicles located at our branch and access to over 500 vehicles across our network; you can be confident that we will be able to help find the perfect car for you. We also offer a wide range of purchasing options to suit your needs and hassle-free part-exchange, so you can be confident that you will receive the very best service & advice.

We pride ourselves on not only offering vehicles that meet our high standards but also that offer unrivalled value for money. As part of the Marshall Group, we check our prices daily to ensure that our vehicles are priced correct from day one.

All Marshall Approved Used vehicles are supplied with a minimum 90-Day Marshall Warranty, multi-point check by our full trained technicians, HPI and mileage verification guarantee. Please note the warranties and vehicle requirements on a manufacturer approved programme vary from this programme. Combined with competitive prices and outstanding customer service gives you complete confidence and peace of mind when buying a Marshall Approved Used vehicle.

Peace of mind that the vehicle is supplied by one of the leading and largest dealer groups in the UK
