### Description

Volkswagen Tiguan 1.5 TSI 272 eHybrid R-Line 5dr DSG With only one previous owner, this 2025 Volkswagen Tiguan 1.5L Petrol Plug-in Hybrid is a smart choice. As a Volkswagen manufacturer-approved vehicle, this Tiguan R-Line combines style and efficiency with its Euro 6 compliant engine. The R-Line trim adds a sporty edge, complemented by eye-catching 20in Alloy Wheels in a black style.

Equipped with a Winter Pack, including heated seats and a heated steering wheel, this Tiguan ensures comfort during colder months. The Light Package enhances visibility with LED headlights and automatic headlight control, featuring separate LED daytime running lights and a coming home-leaving home feature. The Climatronic 3-zone air conditioning, with a rear control panel, provides tailored climate control for

all passengers. The large boot offers a practical advantage over similar vehicles, ensuring ample space for luggage, shopping, or equipment.
