### Description

This Volkswagen Golf, a 2018 model, comes with the added assurance of Volkswagen manufacturer approval. As a Golf TSI R, with the R trim, it combines performance with practicality. The car is powered by a 2.0L petrol engine and features a four-wheel-drive system, complying with Euro 6 emission standards. Among its convenient features are easy entry sliding seats, adaptive cruise control, dusk sensor for automatic driving lights, and heated front seats, enhanced by the inclusion of a winter pack.

The Golf R stands out with its impressive acceleration, reaching 0-60mph in just 4.4 seconds, demonstrating its superior performance capabilities compared to similar vehicles. In addition to its performance, it also offers a large boot space, making it a practical choice for those needing ample storage.
