	45.3 mpg				

Description

With only one previous owner and very low mileage of just 2803 miles for a 2025 registration, this Skoda Kodiaq SE L is a fantastic find. The Kodiaq, with its spacious seven-seat configuration and four-wheel drive, is powered by a responsive 2.0L diesel engine. The SE L trim comes with a host of features designed for comfort and convenience, including the Winter Pack with heated seats and steering wheel, perfect for those chilly mornings. The Electrically Adjustable Drivers Seat with Memory Function ensures you can always find your ideal driving position, while the Head-Up Display keeps important information in your line of sight. The vehicle also benefits from the Light and View Plus and Light and View Packages, both featuring LED headlights for enhanced visibility.

This particular Kodiaq stands out with its impressive fuel economy of 45 mpg, meaning fewer trips to the petrol station.

The low CO2 emissions are another advantage, making it a more environmentally conscious choice. Acceleration is also noteworthy, achieving 0-60mph in just 7.7 seconds. Capable of towing up to 2400 kg and meeting Euro 6 emission standards, this Skoda Kodiaq TDI SE L offers a blend of practicality and performance.
