		40.9 mpg			

### Description

With only one owner from new, this 2017 Volkswagen Golf R TSI is a superb example of a performance hatchback with very low mileage for its age, having only covered 49400 miles. The Golf R is equipped with a 2.0L petrol engine and a four-wheel drive system, and it meets Euro 6 emission standards. As a Volkswagen manufacturer-approved vehicle, it offers added peace of mind.

Inside, you'll find a host of features designed to enhance your driving experience. The Dynaudio Excite Soundpack, including a premium branded sound system, ensures exceptional audio quality. The 19in Alloy Wheels - Pretoria - Silver add to the car's aesthetic appeal, while the electric rear windows provide convenience for passengers. Parking is made easier with front and rear parking sensors, including parking assistance. The Winter Pack, which includes heated seats, ensures comfort during colder months. The large boot space makes this vehicle more practical than other similar

vehicles, and the impressive acceleration, reaching 0-62mph in just 4.6 seconds, sets it apart from its competitors.

Purchasing a new vehicle can sometimes be a very stressful process, not with Marshall Volkswagen!

Enquire on one of our vehicles and one of our professional members of the sales team will pick up your enquiry. You will then receive a personalised video of the vehicle showing you all of the features and benefits of that particular vehicle which are important to you. Nothing is ever too much for us, we will always go over and above for our customers.

You also want that peace of mind that the vehicle of interest is a quality, safe and reliable vehicle? All vehicles undergo a comprehensive series of stringent tests and inspections, HPI checks, bodywork checks along with a comprehensive warranty provided.

30-day / 1, 000 mile satisfaction guarantee

12-month unlimited mileage warranty

12-month Volkswagen Assistance

Carefully selected and verified with over 150 checks

Latest software upgrades
