Description

With only one previous owner, this 2021 Peugeot 208 GT Premium is a great example of a well-cared-for vehicle. The GT Premium trim comes with a 1.2L petrol engine and meets Euro 6 emission standards. It boasts several features designed for enhanced visibility and comfort, including the Visibility Pack with automatic headlights, and full LED headlights with Smartbeam Assist. Parking is made easier with Visio Park 1, which includes a 180-degree colour reversing camera and front and rear parking sensors. For added comfort, the front seats are heated, and the cabin benefits from automatic dual-zone climate control.

This Peugeot 208 stands out with its impressive fuel economy of 58 mpg, meaning fewer trips to the petrol station. It also boasts low CO2 emissions, making it a more environmentally conscious choice. The car can accelerate from 0-62mph in 9.9 seconds, offering a balance of efficiency and performance.
