#### Description

The 2019 SEAT Ibiza is a stylish hatchback that combines practicality with modern technology. As a 1.0L petrol model in the sporty FR trim, it offers a blend of efficiency and engaging driving dynamics. The Ibiza MPI FR is equipped with features designed to enhance your driving experience, including Full Link Smartphone Integration with Android Auto and Apple CarPlay, allowing seamless connectivity on the move. Automatic headlights provide added convenience, while Bluetooth audio streaming and handsfree calling keep you connected safely. The full LED headlights not only look striking but also offer improved visibility. Air conditioning ensures a comfortable cabin environment, no matter the weather outside.

This SEAT Ibiza stands out with its low CO2 emissions, making it an environmentally conscious choice. It also falls into a low insurance group, potentially saving you money on your premiums. The surprisingly large boot space adds to the car's practicality, making it suitable for everything from daily

commutes to weekend getaways.
