Description

With only one previous owner, this 2020 Hyundai i20 SE Launch Edition is a great option for those seeking a reliable and well-maintained vehicle. Powered by a 1.2L petrol engine and meeting Euro 6 emission standards, this i20 offers a balance of efficiency and performance. The SE Launch Edition trim adds a touch of style and convenience to the already impressive i20 package. Stay connected on the go with Apple CarPlay and Android Auto, seamlessly integrating your smartphone for navigation, music, and communication. Bluetooth connectivity further enhances the driving experience, allowing for hands-free calls and audio streaming.

The inclusion of air conditioning ensures a comfortable cabin environment, no matter the weather outside. Rear parking sensors provide added confidence when manoeuvring in tight spaces, making parking a breeze. Furthermore, this particular i20 benefits from being in a low insurance group, which means it could be more affordable to insure than other similar vehicles.
