Description

With only 69645 miles on the clock, this 2016 Volkswagen Tiguan is offered with Volkswagen manufacturer approval. The Tiguan SEL is equipped with a 2.0L diesel engine and four-wheel drive. The vehicle is Euro 6 compliant and boasts several features, including park assist with a rear-view camera, making parking a breeze with front and rear sensors. Enjoy premium audio quality with the Dynaudio Excite soundpack. The rotary switch by the gear stick offers on-road, off-road, snow, and off-road individual driving modes, while driver profile selection includes Eco, Normal, and Sport modes. Adaptive cruise control, along with front parking sensors, enhances your driving experience.

This Tiguan stands out with its low mileage for its age, suggesting less wear and tear compared to similar vehicles. It also falls into a low insurance group, potentially saving you money on premiums. The large boot space offers practicality

and convenience, making it ideal for families or anyone needing extra room for luggage or equipment. With a towing weight of 2500 kg, this Tiguan is well-equipped for various tasks.

Purchasing a new vehicle can sometimes be a very stressful process, not with Marshall Volkswagen!
