Description

With only one previous owner, this 2022 Volkswagen ID.3 Pro Performance Life represents a fantastic opportunity to own a modern electric vehicle. As a Volkswagen manufacturer-approved model, this ID.3 boasts the desirable Life trim and is powered by an electric motor. The vehicle is equipped with several features designed to enhance comfort and convenience, including all-LED headlights with reflector technology, front and rear parking sensors, and an assistance pack that adds keyless entry and a rear camera for parking assistance. Adaptive Cruise Control ACC, incorporating Front Assist, City Emergency Braking System, Cruise Control, and a Speed Limiter, ensures a safer and more relaxed driving experience. The 1-Zone Climatronic system maintains a comfortable cabin temperature.

The ID.3 offers a large boot space, making it more practical than other similar vehicles in its class. The 62 kWh battery

provides a maximum range of 265 miles when new, further enhancing its appeal. Charging at home using a 7kW charger takes approximately 9 hours and 30 minutes, while rapid public charging can replenish the battery from empty to 80% in just 37 minutes. Acceleration from 0-62mph takes only 7.3 seconds, demonstrating its responsive performance and making it quicker than other comparable vehicles.

Purchasing a new vehicle can sometimes be a very stressful process, not with Marshall Volkswagen!

Enquire on one of our vehicles and one of our professional members of the sales team will pick up your enquiry. You will then receive a personalised video of the vehicle showing you all of the features and benefits of that particular vehicle which are important to you. Nothing is ever too much for us, we will always go over and above for our customers.

You also want that peace of mind that the vehicle of interest is a quality, safe and reliable vehicle? All vehicles undergo a comprehensive series of stringent tests and inspections, HPI checks, bodywork checks along with a comprehensive warranty provided.

30-day / 1, 000 mile satisfaction guarantee
