Description

With only one previous owner and very low mileage for its age at just 1564 miles, this 2025 Volkswagen Tayron eTSI R-Line is a superb choice. As a Volkswagen manufacturer-approved vehicle, it boasts a 1.5L Petrol Hybrid engine and meets Euro 6 emission standards. The R-Line trim enhances its appeal, while features such as ACC Adaptive Cruise Control, a rear-view camera system, and LED Plus Light Package provide enhanced safety and convenience. The Winter Pack, including heated seats and a heated steering wheel, ensures comfort during colder months, and inductive smartphone charging adds a modern touch.

The seven seats make this vehicle more practical than similar vehicles with only five, and the large boot space offers enhanced versatility. These features combine to create a compelling package for those seeking a blend of style, comfort, and practicality in a modern SUV.

Purchasing a new vehicle can sometimes be a very stressful process, not with Marshall Volkswagen!

Enquire on one of our vehicles and one of our professional members of the sales team will pick up your enquiry. You will then receive a personalised video of the vehicle showing you all of the features and benefits of that particular vehicle which are important to you. Nothing is ever too much for us, we will always go over and above for our customers.

You also want that peace of mind that the vehicle of interest is a quality, safe and reliable vehicle? All vehicles undergo a comprehensive series of stringent tests and inspections, HPI checks, bodywork checks along with a comprehensive warranty provided.

30-day / 1, 000 mile satisfaction guarantee
12-month unlimited mileage warranty
12-month Volkswagen Assistance
Carefully selected and verified with over 150 checks
Latest software upgrades
Volkswagen Genuine parts

Give us a call and we guarantee to provide you with the best experience possible when buying your next vehicle.
