Description

This 2025 Volkswagen ID.7 Pro Match is practically brand new. As a Volkswagen manufacturer-approved electric vehicle, the ID.7 Match comes with an 82 kWh battery. It also boasts several features for added convenience and safety, including the Exterior Pack Plus with LED headlights, wireless phone charging, and heated front seats. Manoeuvring is made easy with the Assistance Pack, which includes a 360-degree camera and front and rear parking sensors, plus Park Assistance Plus.

The ID.7 stands out with its impressive capabilities. The large boot space offers ample room for luggage or shopping. The rapid acceleration, reaching 0-62mph in just 6.5 seconds, makes it quicker than similar vehicles. The battery provides a

maximum range of 382 miles when new, allowing for longer journeys between charges. When you do need to charge, the fastest public charging time from empty to 80% is just 29 minutes.

Purchasing a new vehicle can sometimes be a very stressful process, not with Marshall Volkswagen!

Enquire on one of our vehicles and one of our professional members of the sales team will pick up your enquiry. You will then receive a personalised video of the vehicle showing you all of the features and benefits of that particular vehicle which are important to you. Nothing is ever too much for us, we will always go over and above for our customers.

You also want that peace of mind that the vehicle of interest is a quality, safe and reliable vehicle? All vehicles undergo a comprehensive series of stringent tests and inspections, HPI checks, bodywork checks along with a comprehensive warranty provided.

30-day / 1, 000 mile satisfaction guarantee

12-month unlimited mileage warranty

12-month Volkswagen Assistance

Carefully selected and verified with over 150 checks
