Description

This 2024 Skoda Scala TSI SE L presents an exceptional ownership proposition with its incredibly low mileage of just 3663 miles, a testament to its careful use by its single owner. As a Skoda manufacturer approved vehicle, it benefits from the reassurance of a full dealership service history, ensuring it has been meticulously maintained. This Euro 6 compliant 1.5 litre petrol model, in SE L trim, offers a refined driving experience and comes equipped with the desirable Convenience Package, which includes keyless entry and parking assistance with front sensors and a rear camera, alongside Bluetooth connectivity for seamless integration of your devices.

The Skoda Scala is designed for practicality and enjoyment, boasting a notably large boot space that provides ample room for luggage or shopping. For those who appreciate performance, this Scala impresses with its brisk acceleration, reaching 0 to 60 miles per hour in a swift 7.9 seconds,

indicating a more responsive drive compared to many vehicles in its class. These highlights collectively demonstrate the exceptional value and quality offered by this nearly new Skoda Scala.
