Description

This 2021 Volkswagen ID.3 Pro Performance Life is a remarkable example, having had only one owner and boasting very low mileage for its age, with just 17,607 miles on the clock. As a Volkswagen manufacturer approved electric vehicle, it offers peace of mind and a commitment to quality. This model features the substantial 62 kWh battery, providing an impressive maximum range of 260 miles when new, and benefits from a full charging time of 9 hours 30 minutes at home using a 7kW charger, or a rapid 37 minutes for an 80% charge at a public charging station.

The ID.3 Pro Performance Life is equipped with desirable features that enhance your driving experience. These include stylish 19in Andoya alloy wheels and a Comfort Package, which adds heated seats and a heated steering wheel for those colder days. For convenience and safety, it includes front and rear parking sensors with parking assistance, and a

1 zone Climatronic system for effortless climate control. Furthermore, Adaptive Cruise Control with Front Assist, including city emergency braking and a speed limiter, ensures a more relaxed journey. This model also offers a generous boot space, perfect for everyday needs, and its electric powertrain delivers brisk acceleration, reaching 0-62mph in a swift 7.3 seconds, demonstrating its capability compared to similar vehicles.

Purchasing a new vehicle can sometimes be a very stressful process, not with Marshall Volkswagen!

Enquire on one of our vehicles and one of our professional members of the sales team will pick up your enquiry. You will then receive a personalised video of the vehicle showing you all of the features and benefits of that particular vehicle which are important to you. Nothing is ever too much for us, we will always go over and above for our customers.

You also want that peace of mind that the vehicle of interest is a quality, safe and reliable vehicle? All vehicles undergo a comprehensive series of stringent tests and inspections, HPI checks, bodywork checks along with a comprehensive warranty provided.

30-day / 1, 000 mile satisfaction guarantee
