Description

This 2021 Volkswagen Polo TSI Match presents an exceptional ownership proposition with its remarkably low mileage of just 24,436 miles, a testament to its careful use. As a Volkswagen manufacturer approved vehicle, this 1.0 litre petrol model, adhering to Euro 6 emissions standards, offers a blend of efficiency and modern technology. Inside, you'll find the convenience of App Connect, seamlessly integrating your smartphone with Android Auto and Apple CarPlay, alongside a manual air conditioning system to keep you comfortable. The Ready 2 Discover infotainment system includes Bluetooth connectivity for calls and music, while parking sensors at both the front and rear provide added confidence when manoeuvring. The vehicle is also equipped with halogen clear headlights that are range adjustable, featuring separate daytime running lights and automatic headlights for enhanced visibility.

The highlights of this Volkswagen Polo TSI Match demonstrate its superior value compared to similar vehicles. Achieving an impressive fuel economy of 53 miles per gallon, it offers an economical driving experience. Its low CO2 emissions further contribute to its efficiency, making it an environmentally conscious choice. The acceleration from 0 to 62 miles per hour in 10.8 seconds provides responsive performance for everyday driving. Furthermore, the Polo is known for its generous boot space, offering practicality for shopping trips or luggage, and it sits within a low insurance group, making it an affordable option to own and run.
