Description

This 2022 Volkswagen T-Cross TSI R-Line presents an exceptional ownership proposition, having been meticulously maintained by a single owner and boasting a remarkably low mileage of just 15,500 miles. As a Euro 6 compliant model, it features a responsive 1.0 litre petrol engine, offering an impressive fuel economy of 48 miles per gallon. The R-Line trim enhances its appeal with a suite of advanced features, including LED headlights for superior visibility, a rear view camera with parking assistance for effortless manoeuvring, and a sophisticated 2Zone electronic climate control system with an allergen filter for a comfortable cabin environment. Further enhancing the driving experience are the dusk sensor for automatic headlights and adaptive cruise control, ensuring a more relaxed journey.

The low CO2 emissions of this T-Cross are a significant advantage, indicating a more environmentally conscious

choice compared to many similar vehicles. The combination of its low mileage, single owner provenance, and the inclusion of desirable features like adaptive cruise control and LED lighting clearly sets this Volkswagen T-Cross apart. These highlights demonstrate a vehicle that has been cherished and well equipped, offering a compelling blend of style, efficiency, and modern technology for its next owner.
