Description

With only 1000 miles on the clock, this 2025 Skoda Kamiq is practically brand new. As a TSI SE Edition with the SE Edition trim, this Skoda Kamiq is powered by a 1.0L petrol engine and meets Euro 6 emission standards. It comes equipped with Bluetooth, rear parking sensors, and a rear-view camera to make parking a breeze. The dual-zone climate control ensures a comfortable environment for both the driver and passengers, while the automatic headlight control with manual coming and leaving home feature adds convenience to your daily drives. Having had only one owner, this Kamiq is ready for its next chapter.

This particular model stands out with its impressive fuel economy of 52 mpg, meaning fewer trips to the petrol station and more money in your pocket. In addition, its low CO2 emissions mean you can drive with a clear conscience, knowing you're doing your bit for the environment. The Skoda

Kamiq combines practicality with modern features, making it an excellent choice for those seeking efficiency and comfort in one package.
