Description

Skoda Karoq 1.5 TSI SE L 5dr This 2019 Skoda Karoq TSI SE L presents an exceptional ownership proposition with its remarkably low mileage of just 6337 miles, having been cherished by only one owner. This Euro 6 compliant 1.5 litre petrol model, in the well appointed SE L trim, offers a refined driving experience. Key features include a DAB digital radio and Bluetooth connectivity for seamless entertainment and communication, alongside the convenience of KESSY keyless entry and start. The Karoq also boasts automatic activation for its full LED headlights, complete with AFS and LED daytime running lights, ensuring excellent visibility. For added comfort, particularly during colder months, the front seats are heated.

The Skoda Karoq TSI SE L stands out with several key advantages that set it apart from similar vehicles. Its impressive acceleration, reaching 0 to 60mph in just 8.4 seconds, provides a responsive drive. Furthermore, its low CO2 emissions contribute to a more environmentally

conscious motoring experience. The generous boot space offers practicality for everyday needs and longer journeys, while its low insurance group rating makes it an economical choice to own and run.
