#### Description

This 2024 Skoda Octavia TSI SE Technology is a superb example, having had only one owner from new. This well appointed vehicle boasts a 1.5 litre petrol engine, meeting Euro 6 emissions standards, and comes in the popular SE Technology trim. Inside, you'll find comfortable heated front seats, a convenient wireless charging pad for your smartphone with cooling, and dual zone air conditioning to keep everyone comfortable. The exterior is enhanced by LED headlights with distinctive daytime running lights, and for seamless connectivity, it features wireless Smartlink for both Apple CarPlay and Android Auto.

This Octavia offers impressive efficiency, achieving a notable 54 miles per gallon, which is better than many similar vehicles. Its low CO2 emissions also contribute to its economical running costs. You'll appreciate the generous boot space, perfect for luggage or shopping, and its acceleration

from 0 to 60 miles per hour in 10.1 seconds provides a capable driving experience. These highlights demonstrate how this Skoda Octavia stands out for its practicality and efficiency.
