Description

This 2024 Skoda Scala TSI SE is a truly exceptional find, boasting an incredibly low mileage of just 4058 miles from its single owner. This nearly new example of the popular Scala, powered by an efficient 1.0 litre Euro 6 petrol engine, comes equipped with rear parking sensors for added convenience, along with Bluetooth connectivity for seamless phone integration. Enjoy a comfortable driving experience with dual zone climate control and automatic headlights, all complemented by basic LED headlights and distinctive LED daytime running lights.

The Scala TSI SE offers a compelling package with several key highlights that set it apart. Its impressive fuel economy of 55 miles per gallon means fewer trips to the petrol station, while its low CO2 emissions are beneficial for both the environment and potential running costs. You'll also appreciate the generous boot space, perfect for luggage or shopping. With an acceleration of 0 to 60 miles per hour in 10.5 seconds, this Skoda Scala provides a balanced performance for

everyday driving.
